Glassware of Quality

Our line of Tumblers, Blown and Pressed, is known for its Durability, Style and Finish. With best of equipment for manufacturing and Fire Polishing and with all material chemically tested against defects, with careful treatment of moulds and close selecting we offer a line of Tumblers of a superior kind. We have weeded out the slow selling numbers and replaced them with newer and more stylish patterns and the Merchant handling our Tumblers is assured of satisfied customers, with steady sales and profits.

Our line of Pressed Tumblers is distinguished by the fact that it carries no brand or mark of any kind, for we believe our customers prefer their Tumblers absolutely free from factory trade marks. The Blown Tumblers, Paste Mould as well as Iron Mould, are of the weight best calculated to stand up under hard daily usage. Stem pieces and Beer Mugs illustrated are numbers that have proven themselves the most popular ones on the market.

Our factory is 30 miles southeast of Columbus, Ohio, is located on both the C. & O. and Pennsylvania Railroads an ideal location to serve the needs of our nation-wide trade.

All ware is packed in new, corrugated re-shipping cartons, made from the best stock obtainable and meeting all requirements of the Consolidated Freight Classification.
